**Every Purchase Makes a Difference!**

**BISM's Independence Training and Rehabilitation Department is accredited by the Maryland State Department of Education's Division of Rehabilitation Services (DORS) and teaches the skills of independence, builds self-confidence, and prepares blind people of all ages for everyday challenges at home, school, work, or other activities.**

- ◆ The **CORE** Program - The Comprehensive Orientation, Rehabilitation, and Empowerment (CORE) program is geared towards adults who are interested in gaining employment or continuing their education. It is an intensive residential program that runs for 8-11 months, 5 days a week. During your time here, you'll receive thorough training in all the skills of independence by blind instructors while also tailoring certain aspects of the program to your personal goals. Classes include: Braille, Cane Travel, Technology, Independent Living, Woodshop, Physical Fitness, and Job Readiness.
- ◆ The **SAIL** Program - Seniors Achieving Independent Living (SAIL) program for senior residents of Maryland available at all three of our Maryland facilities. In addition, we offer workshops at various locations throughout Maryland and host an annual SILVER residential, week-long retreat.
- ◆ **Work to Independence and Independence 101** Summer residential programs for blind middle and high school students that provide participants with the nonvisual skills, confidence, and work experience to successfully transition into high school, college and/or employment.

# THE MORE YOU KNOW.

In 1908, Blind Industries and Services of Maryland was established by the Maryland General Assembly (Chapter 566, Acts of 1908). The organization adopted its present name in 1973 (Chapter 164, Acts of 1973).

Maryland General Assembly  
Confirms

**BOARD OF TRUSTEES**  
The Board of Trustees consists of eleven members appointed for three-year terms by the Maryland Governor with confirmation by the Maryland Senate. At least four of these members must be blind.

## BACKGROUND/HISTORY

In 1908, Blind Industries & Services of Maryland (**BISM**) originates as the Maryland Workshop for the Blind (Chapter 566, Acts of 1908), Human Services Article Section 7-703, et. seq. The current enabling legislation is found in Maryland Code, Human Services Article, Section 7-703.

**BISM**, a not-for-profit organization, in 1986 launches blind and visually impaired rehabilitation and training programs, primarily from its locations in Baltimore, Salisbury and Cumberland.

**BISM** provides vocational rehabilitation, continuous employment, and other resources to blind adults of Maryland. To carry out these programs, **BISM** operates four divisions: Industries; Water; Retail; and Rehabilitation and Training. The divisions market their products and services with the aid of the Maryland Pricing and Selection Committee for Blind Industries and Services of Maryland, the federal AbilityOne Commission and the Maryland Employment Works Program.

## MISSION

To provide stable career opportunities, innovative rehabilitation programs, quality products and services and to develop resources for training and education.

## VISION

Our organization is an internationally recognized leader whose associates provide evolving opportunities for blind people and others.
